Все, кому посчастливилось знать и близко общаться с Револем Буниным (1924–1976), единодушны в своем мнении о нем, как о человеке с кристально чистой душой, открытым сердцем, в высшей степени благородном и доброжелательном. Это был человек высокой культуры, интеллигентности, разносторонних интересов. Револя Самуиловича отмечали глубокие знания литературы и музыки всех времен и народов, он любил и понимал изобразительное искусство, архитектуру, разбирался в вопросах истории и философии. В композиторской среде друзья-единомышленники почитали его как одного из самых образованных и эрудированных музыкантов.

Револь Самуилович Бунин родился 6 апреля 1924 г. в Москве в семье профессиональных революционеров. Видимо, этим обстоятельством можно объяснить столь необычное имя, которым нарекли его родители. С детства он увлекался историей и литературой, занимался музыкой. В 12-летнем возрасте появились его первые композиторские опыты: вальсы, марши, этюды, сонаты и другие сочинения для фортепиано, вокальные и оркестровые пьесы.

В 1940 г. Р. Бунин окончил Музучилище при МГК по классу композиции Г.И. Литинского и в том же году стал студентом столичной консерватории по классу В.Я. Шебалина (1941–1942), а затем Д.Д. Шостаковича (1943–1945). Дмитрий Дмитриевич раскрыл не только большой композиторский талант, но и незаурядный педагогический дар Р. Бунина, пригласив его сразу же после окончания МГК своим ассистентом по Ленинградской консерватории, и работу своего выпускника Дмитрий Дмитриевич оценивал весьма высоко.

В Ленинградской консерватории Р. Бунин проработал два года (1946–1947), а затем с 1948 по 1953 г. был редактором Музгиза.

Свою ассистентскую и редакторскую работу Р. Бунин сочетал с активным творчеством. В эти годы им написано много произведений, в том числе камерные: вокальные и инструментальные, симфонические, инструментальный концерт, пьесы для эстрадного оркестра.

Первым сочинением Р. Бунина, удостоившимся совершенного исполнения (симфонический оркестр Ленинградской филармонии под управлением Е. Мравинского) и получившим отклики в прессе, была Вторая симфония, премьера которой состоялась в Ленинграде 29 ноября 1947 г.

С 1958 г. Р.С. Бунин полностью посвящает себя творчеству, эпизодически совмещая его с педагогической деятельностью (руководил композиторским семинаром, работавшим при Доме творчества „Иваново“). Многие семинаристы, совершенствовавшие свое композиторское дарование у Р. Бунина, стали известными композиторами, отмечены почетными званиями и правительственными наградами, многие стали лауреатами Государственных премий. Сам же Учитель – талантливейший композитор – не был удостоен никаких почетных регалий.

Работал Револь Бунин много и регулярно, работал с вдохновением. Ежегодно он обязательно создавал крупное, капитальное сочинение. Мало кому известно, что композитор с интересом и весьма успешно сотрудничал с создателями драматических спектаклей, радиопередач и кинофильмов. В период 1950–1974 гг. им создано свыше пятидесяти опусов кинотеатральной музыки и музыки к радиопостановкам. Больше всего Р. Бунин сотрудничал со студиями документальных и научно-популярных фильмов. Им также написана музыка к шести мультфильмам и трем художественным: „Две жизни” („Мосфильм”), „Десять дней, которые потрясли мир” (производство АПН совместно с английской фирмой „Гранада”) и „Почтовый роман” (совместно с М. Фрадким. Киевская студия им. А. Довженко).

Свой опусник Р. Бунин определил сорока пятью произведениями, куда не вошла так называемая „прикладная музыка”. Вызывает некоторое недоумение, что эта область творчества не учитывалась композитором. Правда, единственный раз он сделал исключение: внес в список своих основных сочинений под опусом 39 сюиту „Десять дней, которые потрясли мир” для симфонического оркестра. По словам самого автора, „сюита эта не повторяет буквальную музыку, которая звучит в фильме, она значительно переработана, развита. Мне хотелось, чтобы музыка Сюиты ... стремилась создать образные звуковые картины, раскрывающие эпизоды жизни и борьбы русского народа в период от начала нашего века и до победы Октябрьской революции”<sup>1</sup>.

В основном творческом багаже Р.С. Бунина – девять симфоний, Концертная симфония для скрипки с оркест-

ром, шесть программных произведений для симфонического оркестра, два инструментальных концерта – Альт-овый и Фортепианный, Концерт для камерного оркестра и органа, два струнных квартета, Соната для альт и фортепиано, Соната для фортепиано, музыка для струнных, оратория „Веди нас, дорога” (стихи В.Шекспира), хор-овой цикл „Несжатая полоса” (стихи Н.Некрасова), циклы романсов на стихи Пушкина, Лермонтова, Есенина, Блока, Фета, Шекспира, кантата и много других сочи-нений, как вошедших, так и не вошедших вopusник. Перу Р.Бунина принадлежат две оперы: „Маскарад”, либретто композитора по драме М.Лермонтова (1944 г., незакон-чена) и „Народовольцы”, либретто А.Медведева по роману С.Степняка „Андрей Кожухов”. Скоропостижная кончина композитора оборвала работу над оперой. Ее завершили и оркестровали Б.Чайковский, А.Эшпай, М.Вайнберг, В.Баснер, Р.Леденев и Л.Присс. Опера была поставлена в 1987 г. Московским музыкальным театром имени К.С.Станиславского и Вл.И.Немировича-Данченко.

Высокие достоинства и мастерство творений Р.Бу-нина привлекали к себе внимание виднейших советских музыкантов: дирижеров Е.Мравинского и Е.Светланова, пианистов Т.Николаевой и В.Крайнева, скрипача Л.Ко-гана, альтиста и дирижера Р.Баршая, известных певцов.

Несмотря на жанровое разнообразие творчества, Р.Бунин явное предпочтение отдавал созданию симфо-ний: его первым крупным произведением была симфония и последним законченным сочинением явилась также симфония – Девятая.

Девятая симфония написана в 1976 г., исполнена в Москве в 1980 г. в концерте фестиваля „Московская осень” Государственным оркестром кинематографии под управлением Э.Хачатуряна. Симфонии присущи черты, характерные для творений классики, – значимость и цельность мысли, искренность интонационно-тематичес-кого содержания, национальная определенность, гармо-ническая и оркестровая свежесть и индивидуальность, ясность формы, а в целом – мудрая простота.

Композитор сразу же, без подготовки вводит слуша-теля в образно-тематическую сферу лирико-драматичес-кого повествования первой части (*Moderato sostenuto*). Ее два основных образа появляются с самого начала симфонии. Первый – ярко драматический, близкий истощенному крику, раздирающему душу, и второй – более мягкий, лиричный, но несколько обеспокоенный. Оба образа на протяжении произведения будут активно развиваться, взаимодействовать, что приведет их в четвертой части к заметной трансформации. В первой части нет кульминации, она начинается как бы с динамич-еского вершиноисточника – внезапным звучанием интонации крика, окаймляющей всю первую часть.

Во второй части (*Andante*) слышны интонации стена-ния, отчаяния, скорби, изредка прерываемые моментами просветления. Исходным музыкальным материалом этой части является авторская тема, имитирующая распев

русской протяжной песни. Мелодически непрерывно развивающаяся, лишенная интонационных повторов, она звучит настолько первозданно-искренне и выразительно, что невольно воспринимается как исповедь автора. В начале композитор поручает эту яркую тему виолончели соло, темброво прекрасно имитирующей человеческий голос, распевающий грустную мелодию. Но постепенно этот распев „раскручивается”, обнажая трагические чувства, заложенные в нем.

Третья часть (*Allegro*), наступающая *attaca*, оставля-ет впечатление несколько игривой, простодушной, улыбочиво-скерцозной. Но ее колорит, так же как и в предыдущих частях, подернут завуалированной элегич-ностью. К концу части характер музыки мужает, стано-вится угрюмее, шутливость постепенно исчезает, подго-тавливая образный мир четвертой части (*Largo*).

По-своему трактуя классический цикл симфонии, Р.Бунин вводит в него вторую медленную часть, возла-гая на нее функцию драматического центра произведе-ния. Эта часть – проникновенная лирика высокого философского склада, лирика сдержанная, мрачная, переходящая в высказывание, полное драматического пафоса. Сильный эмоциональный всплеск, родившийся из самого первого интонационного материала симфо-нии – крика, знаменует собой первую и единственную драматическую кульминацию всего произведения.

Пятая часть (*Allegro non troppo*), следующая *attac-са*, связана с другим кругом образов. После сильных драматических переживаний композитор рисует картину русской природы, как бы устремляется в ее лоно, ища радость в общении с ней и успокоение. Слушая эту музыку, перед глазами встают картины бесконечных русских просторов, дороги, по которой где-то вдали мчится тройка... Своей непосредственностью и изящест-вом эта часть перекликается с третьей, но с тем лишь различием, что в ней с самого начала ощущается финаль-ность, заключительность цикла.

Симфония поражает внутренним единством, логикой развития, стройностью. В ней композитор не только нашел свой мир музыкальных образов и средства их выражения. В ней нетрудно распознать наличие „второго плана”, проявившего себя в определенном лейтнатрое-нии, которое накладывает свой элегичный отпечаток едва ли не на весь тематический материал произведения. И это, видимо, не случайно, так как в то время, когда Р.Бунин работал над симфонией, ушел из жизни его кумир и Учитель Дмитрий Дмитриевич Шостакович, светлой и благодарной памяти которого посвящено это произведение.

Написанная рукой талантливого мастера, подытожи-вающая 33-летний творческий путь композитора, Девятая симфония несомненно является самым совершенным сочинением, вершиной творчества Р.Бунина.

This image shows a page from a musical score, likely for a symphony. The score is written for a large ensemble, including woodwinds, strings, and harp. The instruments listed on the left are Fl. (Flute), Cl. (Clarinet), Cor. (Cor Anglais), Cel. (Cello), Arpa (Harp), and Archi (Strings). The score is divided into two systems. The first system includes staves for Fl., Cl., Cor., Cel., Arpa, and Archi. The second system includes staves for Fl., Cl., Cor., Cel., Arpa, and Archi. The music is written in a key signature of one flat (B-flat) and a common time signature (C). The score includes various musical notations such as notes, rests, and dynamic markings like 'sf' (sforzando) and 'p' (piano). The first system shows a complex texture with many notes and rests, while the second system shows a more sustained texture with long notes and rests. The harp part is written in a simplified style, using a single line of music. The string part is written in a complex style, using multiple lines of music for each instrument. The woodwind parts are written in a complex style, using multiple lines of music for each instrument. The Cor Anglais part is written in a complex style, using multiple lines of music. The Cello part is written in a complex style, using multiple lines of music. The Arpa part is written in a simplified style, using a single line of music. The Archi part is written in a complex style, using multiple lines of music for each instrument.

This is a page from a musical score, likely for a symphony. The score is written for a large ensemble of instruments, including woodwinds, brass, and strings. The instruments listed on the left are: Picc., FL., Ob., C.ingl., Cl. picc., Cl., Clb., Fag., C-fag., Cor., Tr-be, Tr-ni e Tuba, C-ne, Cel., Arpa, and Archi. The score is written in 8/8 time. The key signature is one flat (B-flat). The score includes various musical notations, including notes, rests, and dynamic markings such as *f* (forte) and *ff* (fortissimo). There are also performance instructions like "I. II a 2" and "div. in 3". The score is divided into measures, with some measures containing multiple staves for different instruments. The bottom of the page shows the beginning of the string section (Archi) with a "div. in 3" instruction.

The musical score is arranged in a standard orchestral format. The woodwind section (Picc., Fl., Ob., C.ingl., Cl. picc., Cl., Clb., Fag., C-fag.) and brass section (Cor., Tr-be, Tr-ni e Tuba) are in the upper half. The strings (Archi) are in the lower half, with Arpa and P-no above them. The score shows a transition from a 2/4 time signature to a 3/4 time signature. The woodwinds and strings play a melodic line with triplets, while the brass and keyboard instruments provide harmonic support. The dynamic markings indicate a shift to a more accented, marcato style.

This musical score page, numbered 132, features a variety of instruments. The woodwind section includes Piccolo (Picc.), Flute (FL), Oboe (Ob.), Cor Anglais (C.ingl.), Clarinet in B-flat (Cl.), Clarinet in E-flat (Cl.), Clarinet in Bass (Clb.), Bassoon (Fag.), and Contrabassoon (C-fag.). The brass section consists of Cor Anglais (Cor.), Trumpets in B-flat (Tr-be), Trumpets in E-flat and Tuba (Tr-ni e Tuba), and Piano (P-no). The string section (Archi) includes Violins, Violas, Cellos, and Double Basses. The score is written in 4/4 time with a key signature of three flats (B-flat, E-flat, A-flat). The first system shows the woodwinds and strings playing a melodic line with triplets, marked *f*. The second system shows the brass instruments playing a marcato rhythm, marked *f marcato*. The third system shows the strings playing a marcato rhythm, marked *marcato*. The score is divided into measures by vertical bar lines, with measure numbers 1, 2, 3, 4, and 5 indicated at the end of each system.

This musical score page, numbered 185, contains staves for various instruments. The woodwind section includes Flute (FL.), Clarinet (Cl.), Oboe (Ob.), Bassoon (Fag.), and Cor Anglais (Cor.). The percussion section includes Timpani (T-ro) and Cymbals (Cel.). The string section (Archi) is represented by multiple staves. The score is written in a key with two flats (B-flat and E-flat) and a 4/4 time signature. It features complex rhythmic patterns, including sixteenth and thirty-second notes, and dynamic markings such as *f* (forte) and *p* (piano). The string section includes a 'div.' (divisi) marking, indicating that the strings are to play in divided parts. The score is divided into three systems, each starting with a double bar line and a repeat sign. The first system includes staves for FL., Cl., T-ro, Cel., and a group of five string staves. The second system includes staves for a group of five string staves. The third system includes staves for FL., Ob., Cl., Fag., Cor., and a group of five string staves. The score concludes with a final measure marked with a double bar line and a repeat sign.
